***A miraculous pianist
who plays to touch our souls.***

Mr. Hirahara himself has experienced the Great Hanshin Earthquake in 1995, which has influenced his life greatly. He will be performing "Requiem", "The importance of life", "Coming across Each other" and others, all composed by him, in memory of the Great East Japan Earthquake, thinking of all those lost and have lost in the tragedy. He will be visiting us all the way from Japan for this charity event for the Great East Japan Earthquake.
